

The Rochester & Buffalo Chapters Empire State Society Sons of the American Revolution

extend invitation to all SAR members and guest(s) to attend the September 6th fall meeting and evening banquet to be held at OLD FORT NIAGARA, Youngstown, N.Y. The evening banquet will begin in the Officers Club at 5:30 P.M. with a social hour (cash bar), dinner at 6:30 P.M. There will be a toast to both Loyalist and Patriot ancestors. We especially welcome those wearing the attire of the Revolutionary War period.

Featured speaker will be the newly installed President of the Vermont Society S.A.R., Capt. Zachariah Fike, U.S.A.R.N.G. Capt. Fike is the founder of Purple Hearts Reunited. He is well known nationally for his efforts to oversee the return of lost or stolen Purple Hearts to their rightful owners or, in the case of deceased recipients, to their families. He too is a Purple Heart recipient received as a result of combat wounds incurred during a firefight in Fallujah, Afghanistan. To learn more about this unabashed patriot and the organization he runs, please visit the website <http://purpleheartsreunited.org>

There is a \$48.00 fee per person which also includes entry to the 10:30 A.M. abbreviated business meeting and a light lunch, wreath laying at the historic cemetery and an all-day pass into the walled portion of the fort. Of course it also includes the evening banquet with our guest speaker to be held in the historic Officers Club. This building contains some fascinating murals painted by war refugees and is not normally open to the public. Regretfully, there is only room for 80 persons. Due to our fixed costs, we will be unable to provide a refund for cancellations or no shows. Checks received after the event is sold out will, of course be immediately returned. Please make checks payable to, "SAR, Rochester Chapter" and mail to Treasurer Robert Coomber, 5 Flower Dale Circle, Rochester, New York 14626-1601 We also invite you to view our 2 minute video: <http://vimeo.com/95556950>

(Please return the bottom portion with your check)
